Where international, state, and county boundaries coincide, the map shows the boundary symbol for only the highest level of these boundaries.

1 A "1" following a place name indicates that the place is also a **map MCD**; this is the case for Alaska's population of ships at sea was allocated to census tracts with a "99" suffix. An anchor symbol appeared on the 1990 maps indicating a census tract "saved" there. These maps show a very small area symbolized as a census tract with the census tract number shown near the area.

2 A "2" following a block number indicates that the block number is repeated
